In 2007, Royal Princess will join the Princess fleet. This ship will offer European and Exotic cruises.

The new Royal Princess® is a gem of a ship, providing a wonderful and intimate ambience for visiting the world's fascinating destinations. Onboard, you'll delight in many of the trademark features you've come to know on other Princess ships - ScholarShip@Sea® courses, fresh-water swimming pools, a casino, exciting nightspots and production shows. But she also boasts her own unique attributes, including fine wood paneling and leather armchairs, a library with over 4,000 titles - one of the best-stocked at sea - al fresco dining on deck and more. And three-quarters of her 355 staterooms offer the extraordinary vantage of your own balcony.
