Tahitian Princess - along with her sister ship Pacific Princess - is our pearl of the Pacific. Smaller in size yet rich in amenities this beautiful vessel features an array of onboard activities. Relax on deck by the pool or get a massage at the Lotus Spa. At night, fine fare abounds in refined dining rooms and specialty restaurants, with live entertainment rivaling anything on shore. And this ship offers more than 200 balcony staterooms so you won't have to miss a single sunset.
